Rules

1. Any Fremont County hay producer is eligible to enter hay produced in 2009 or 2010. Hay exhibited in 2009 may not be entered again. Exhibitors may make one entry per subclass. Each hay show entry should represent an actual harvest lot of commercially produced hay.
2. Each entry must be identified as a specific harvest lot and include name and address of owner/exhibitor and the following:
 - a. Harvest Lot (1st, 2nd, 3rd cutting)
 - b. Acres represented by Harvest Lot
 - c. Estimated Tons of Hay from Harvest Lot
 - d. Year produced
 - e. Estimated Total Season Production
3. For small baled hay classes, three (3) small square bales will constitute one entry. Bales may be wire or string tied. All entries will become property of the Fremont County Fair Board and will help defray costs of the event.
4. Entries from large bales will be allowed and encouraged. An entry from a large bale package shall consist of a 25 lb. sample in an enclosed box secured by tape or cord.
5. Hay entered and sampled for County Fair exhibition may be entered at the State Fair without re-probing or re-sampling.
6. All three bales of each entry will be probed with a hay coring tool by the County Extension Agent to collect a forage sample. An aggregated sample from each entry will be sent by the agent to a designated lab.
7. Judging factor to be considered will include nutritive content (relative feed value, protein), maturity, texture, leaf capture and retention, color, bale conformation, odor, and freedom from foreign material and mold.

Alfalfa Hay, Baled RFV up to 125	B-8-1
RFV 126 to 150	B-8-2
Mixed Hay, Baled RFV up to 125	B-8-3
RFV 126 to 150	B-8-4
Alfalfa Hay, Baled RFV 150 to 175	B-8-5
